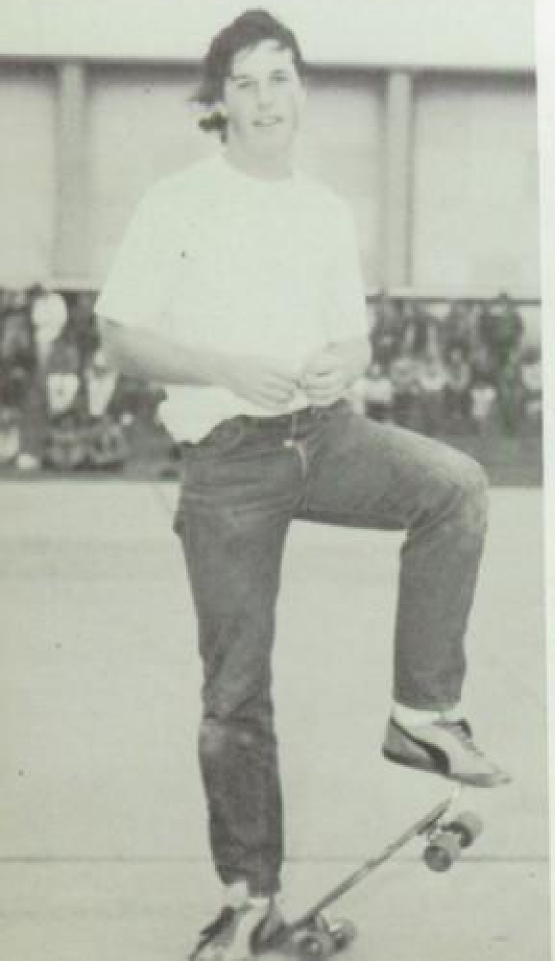
Films of the 50's Inspire Nostalgia Week



Nostalgia Week was held on April 19th through the 23rd. "Nostalgic" activities were planned daily. On Tuesday, student volunteers were called on to gulp down huge hero sandwiches. To catch the look of the '50's, "Dress-Up Day" followed on Wednesday. A skateboard contest held in the Campus Circle was won by Paul Clark. The audience in the cafeteria chose Ken Hamm as winner of the "Fonzie Look-Alike Contest". Ice cream sundaes were devoured without the use of hands on Thursday. The Friday morning rally featured skits by the cheerleaders, songsters, and Rally Committee led by Pam Faria. Dance lessons were given during lunchtime on Friday to prepare students for the Nostalgia Dance held that night.

TOLO 1976

"You've Got a Friend"

"You've Got a Friend" was the theme for the 1976 TOLO Dance. TOLO Week activities included marriage ceremonies, auctioning lunches, and preparing for the dance. This week is a favorite with the guys because the girl pays all expenses, including the bid and dinner. White Fire was the band for this dance, called one of the best of the entire school year.

Faculty Faces Channel 13 for Scholarship

JOHNSON
42
31

In order to earn money for the John Rodgers Memorial Scholarship Fund, the Hiram Johnson faculty agreed to play an amateur basketball game with a Channel 13 team featuring Steve Somers and Bette Vasquez; but they ended up facing a well-trained and experienced team.

It was a fast-moving game enjoyed by all. Although the HJ faculty had little time to practice, they managed to sink many baskets. Channel 13, unfortunately, was ahead in the end with the final score 95-89. With the addition of the $200 returned by Steve Somers, the scholarship fund swelled to $882.91.

Carolyn Wardlaw was awarded a $500 scholarship and the remaining money was left for next year.

While Sammy Keith continues to bring glory to Johnson High in the triple jump, Coach Eural Smothers is also proud of Ken Bradley in pole vault, and Tyran Wright, Bob Kellum, Ken Bradley, and Keith Williams members of the 440 yard relay team who will compete in the state meet June 4 in Berkeley.

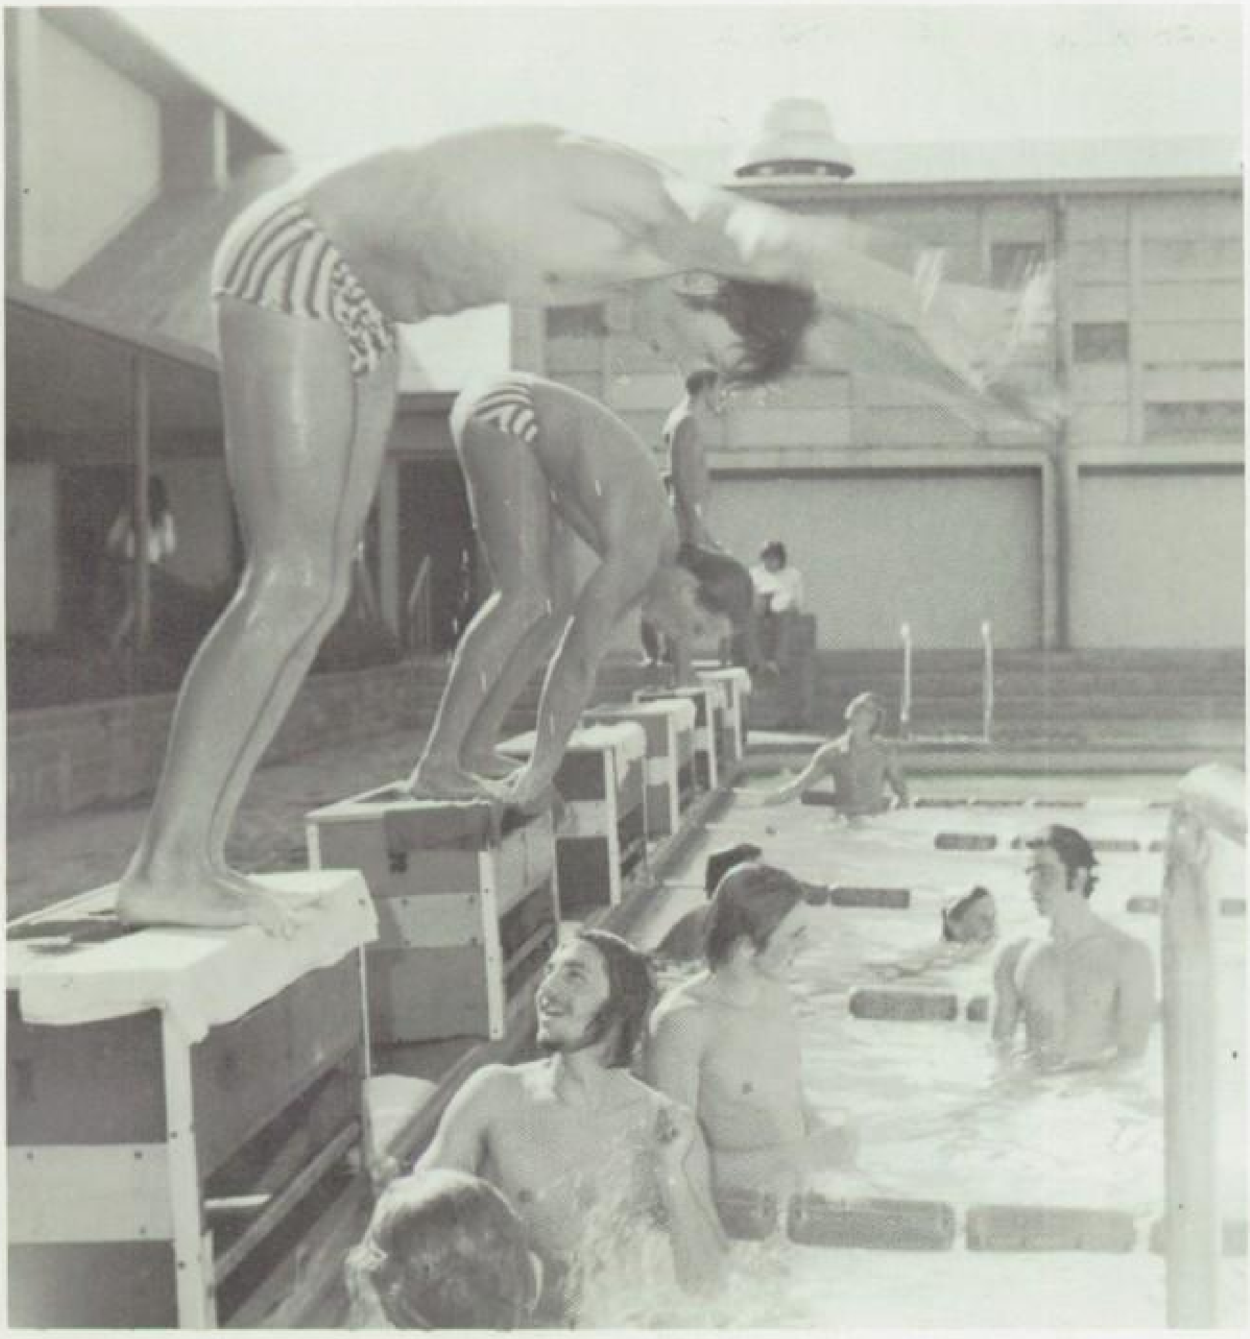
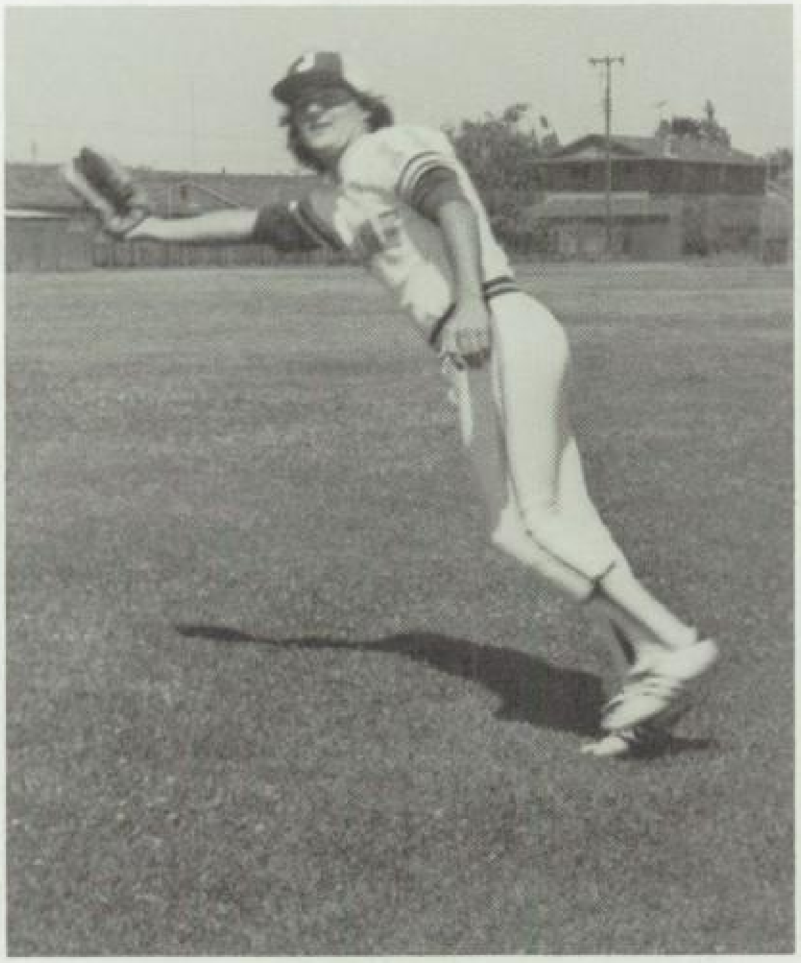
Warriors Become Metro Swim Champs!

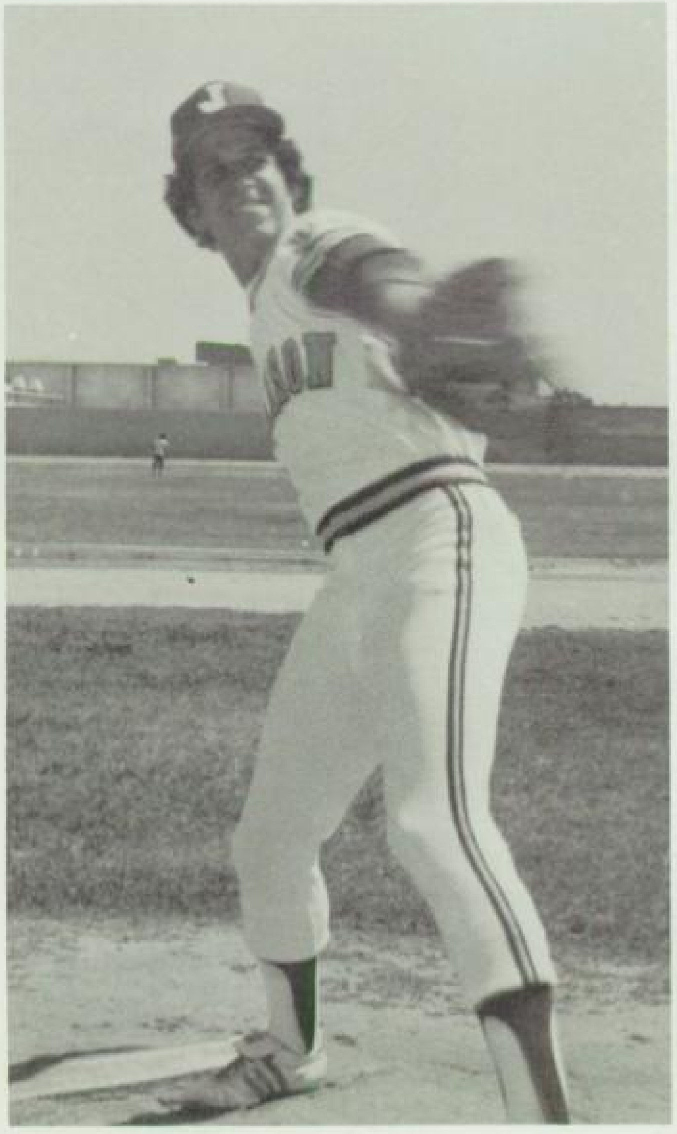


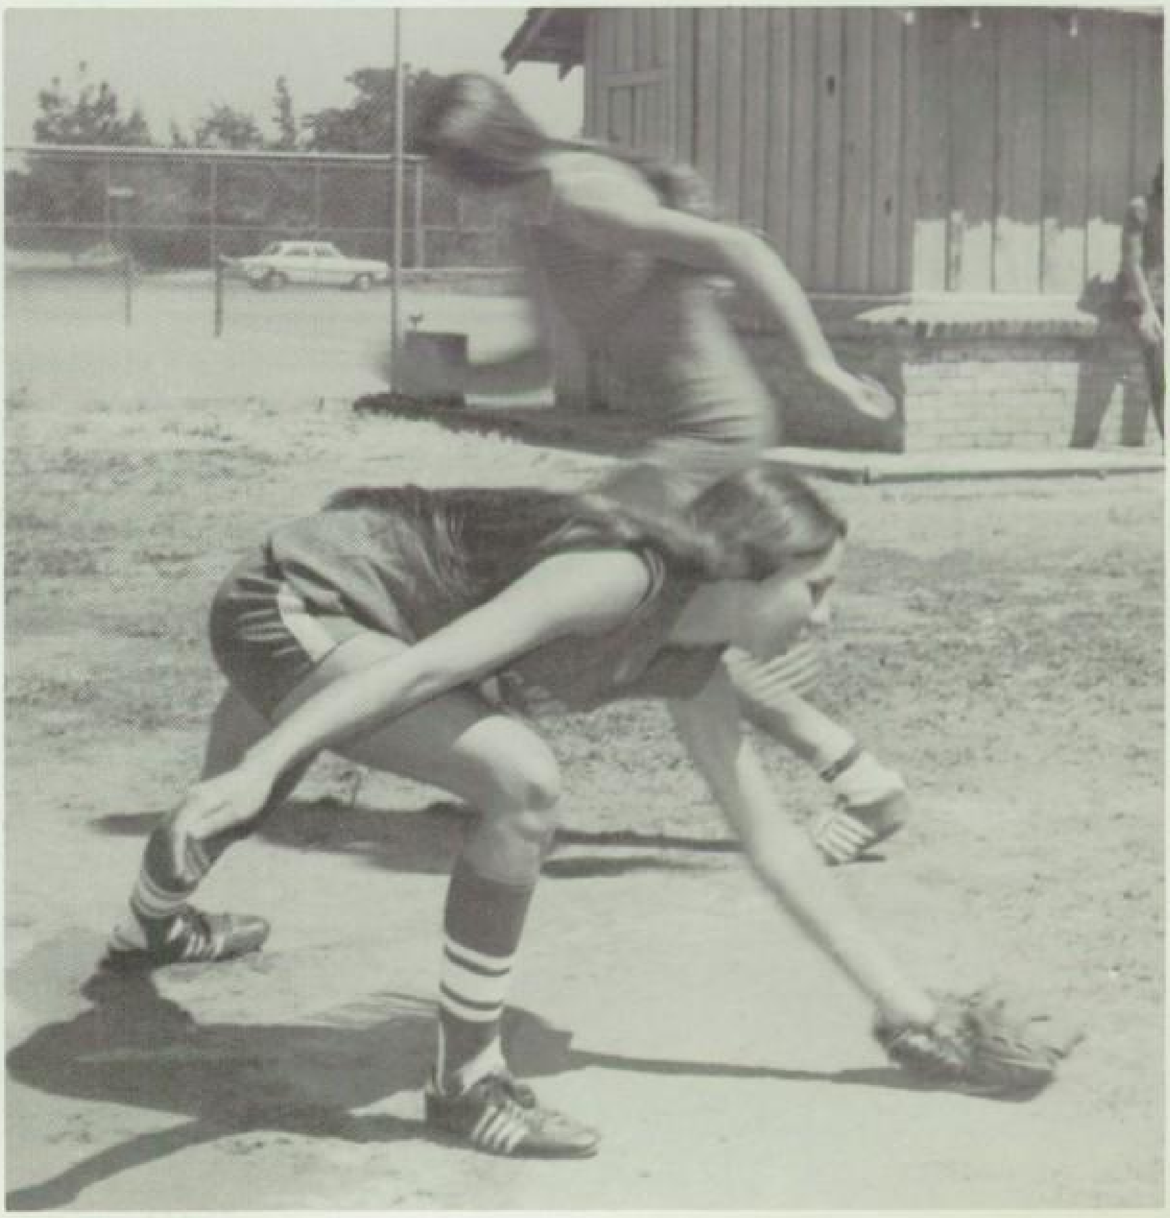
A typical swim team practice - fun and loads of work!

The Hiram Johnson swim team ended the season as Metro Champs, undefeated after 12 to 14 meets. Honors go to such swimmers as Kurt Borowski, Reed Smith, Todd Larrabee, Ron Richard, Jeff Richards, Doug Smurr, Tim Larrabee, John Taylor, and Bret Ringler, and to divers Bill Hartman, Doug Floodman, Randy Floodman, and Steve Horn.

Softball Teams Have Fun in Spite of Losing Season







Girl's Softball
Overall 9-7
Varsity Baseball
Overall 10-13

Baseball and Softball are fun and exciting sports, but not many spectators go out to support the teams. The Men's Varsity Baseball Team will lose graduating seniors Cory Parish and Bill Clark, a shortstop-second base combination; pitchers John Winslow and Merrill Schneeberger; outfielders Gary Debernardi and Kelvin Hefner; and catcher Bobby Randolph. Bill Clark was considered the most outstanding player and Gary Debernardi, the most valuable.

Girl's Softball players Jayme Tanimoto, and Marian Parker, outfielders, and Roberta Valencia and Carolyn Wardlaw, infielders, will graduate from the girls team. Carolyn Wardlaw was the winner of the John Rogers Memorial Scholarship. Although the girls play mainly for fun, it becomes serious too when someone is injured as Jayme Tanimoto was in a winning game against Loretto. Eve Schwartz was knocked out and walked on crutches for awhile after a another hardfought game.

610 Graduates Participate in Ceremony on Chilly June 4th Evening

As the graduating class of 1976 watched their ceremonies, they had much to be proud of. 227 of them had already been accepted at colleges and universities. 87 of them had won grants and scholarships. Some had even won national recognition.

Among those who had won the biggest scholarship amounts were Henry Bray, Phillip J. Brown, Daniel Knierim, Teri Robinson, Laurie Stewart, Carrie Marshall, Norman Swenson, and Marc Zafferano.

Teri Robinson BELOW, will attend UCLA in the fall.

YES! Teachers ARE human!

Carnations were "in" this year and many teachers were seen wearing or carrying them, but not many in so unusual a way as Ms. Unruh. Mr. Weldon is shown with his "toy boat" because he loves sailing in such places as the San Juan Islands.

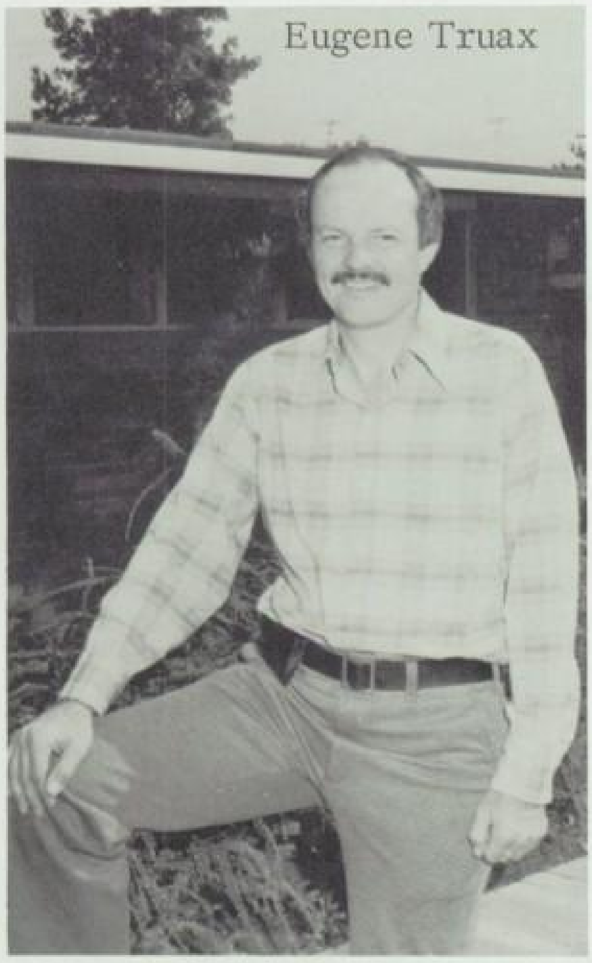
What would teachers do without students?



Eugene Truax

Mr. Champas instructs a very interesting class called 3D-Art, in which a lot of students can use their imagination. Ms. Larsen, chairman of the math department, laughs at an answer that a student has given her.

Mr. Nooyen looks over proofs for the Smoke Signal in the print shop. Ms. Amoreno runs the Child Development classes, which teach students about the care of children in Pre-School.

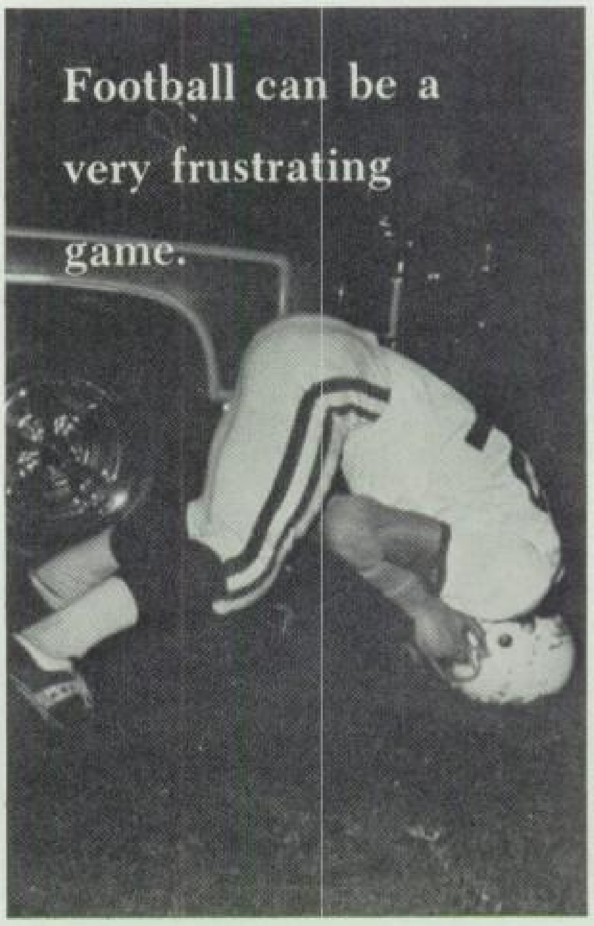
Our Spirit Is

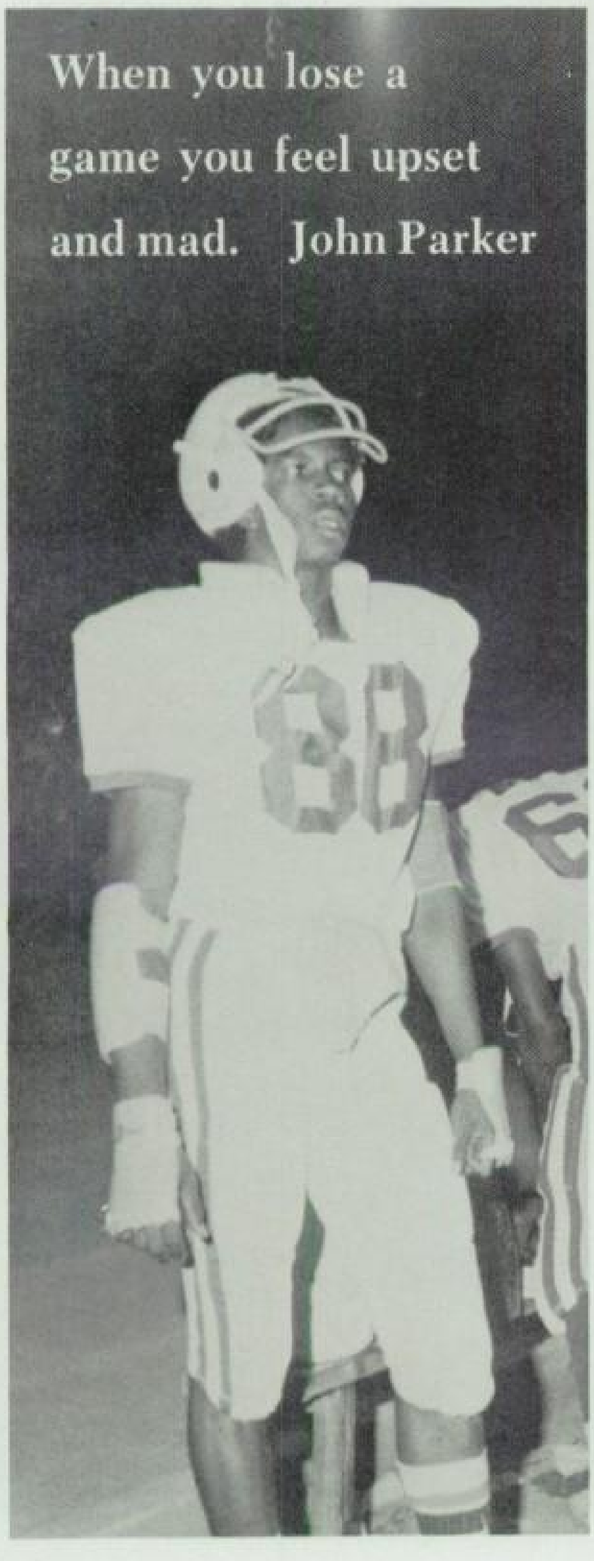
Sky High!

Johnson spirit increased tremendously. This year more people participated in Spirit jugs than watched. The individual classes took the outcome of the yelling contests seriously, even making signs and posters. On a cold morning the Campus Circle was packed for the Homecoming Rally. The juniors won the contest outside. During the inside rally, the student body created a thunderstorm. They rubbed their hands, patted their legs and stamped their feet in hopes of bringing rain. The seniors won inside. The increase of spirit spurred greater participation in all types of activities.

The football season was a disappointment this year. The team worked hard all summer and expected to have a good year. They had some fine returning linemen: Ken Barnes, Tim Lowen, and Martin Thayer. The team went triple sessions for 14 days, starting at 8 am and sometimes finishing at 8 pm at night. When it came time for the first game, they felt they couldn't be more prepared. After being behind 20-0 to a tough Davis team, they battled back, only to lose 23-22. They won their second game against Franklin 14-6, but lost James Johnson for 4 games. Replacement Gary Terrell did a fine job filling in. The team went on to win 4 more straight games. After that, things went downhill. The team lost the last 4 games and finished up 5-5. The season wasn't a total loss; for the first time in 7 years, the team had 2 players selected for All-City: Doug Gass, Place Kicker, and Ken Barnes, Tackle, by the SACRAMENTO BEE. Barnes was also selected for the UNION.



Football can be a very frustrating game.



When you lose a game you feel upset and mad. John Parker

Some of the outstanding players on the team were: Ken Barnes, Tyrone Wright, Marty Thayer, and John Parker.

Club Add Royalty to Homecoming

Homecoming Week was filled with many fun and exciting events. The procession began with an enthusiastic assembly staged by the Alumni Rally Committee. It turned out to be a truly meaningful event. The following day, Wednesday, the Student Council declared grubby day. This gave everyone a chance to look his worst and have an excuse for it. The Juniors exhibited their might by defeating the Seniors and Sophomores at a lunch-time tug of war. Thursday, the Student Council extended a gracious invitation for breakfast to Johnson's Alumni. The occasion was held at Brawleys Restaurant. Friday, Johnson's student body showed their high spirit in a competitive spirit jug, and a lively turnout for the Homecoming Football Game. Saturday, the night of the dance, turned out to be an enchanting evening for all those who attended. During all of the week's events, Johnson's students and Alumni never once failed to show their enthusiasm and overwhelming spirit.

Volleyball Ties for Second in Metro League

Volleyball experienced an exciting season this year. The A team had 7 wins and 5 losses while the B team had 5 wins and 7 losses. The A team tied for second with Bishop Manogue in the Metro League. The B team took fourth place. Title IX, no sexual discrimination, required the women's sports to charge admission equal to the men's. The result, a smaller audience at the games. Those who did attend found their money well spent.

Carol Lincoln was voted most valuable player on the A team; Cheryl Smith, the most valuable on the B team.

Mr. Clean Comes to Johnson

On November 14th Steve May surprised a second period history class by throwing trash all around the room. The class was shocked. Many other students did not realize the trash situation was so out of hand. Soon the news of Mr. May and his trash was the talk of the school. The student council decided to do something about it. CLEAN UP DAY was soon in full swing. Students, teachers and the janitors were busy cleaning up the school to make it look its best. True school spirit was shown at the Clean Up Rally and other clean up activities.

Johnson and Norte Host First Annual Fundraiser Dance

For the past two years Norte Del Rio's La Raza Club and Johnson's MAYA Club have been getting together for culture events. This time these two clubs got together for their first annual fund-raiser dance. Tickets were $2.00 per person and $3.75 per couple in advance and were being sold by all members of each club. The band Sena played from 8:30 until midnight, in the cafeteria. Sena's members, ranging from 18-24, played disco, oldies, and Mexican music, from Tower of Power's "You Oughtta Be Havin' Fun" to El Chicano's "Sabor A Mi" to East Los Angeles' #1 all-Chicano band, Lil' Willie G & the Midniters' "Are You Angry?"

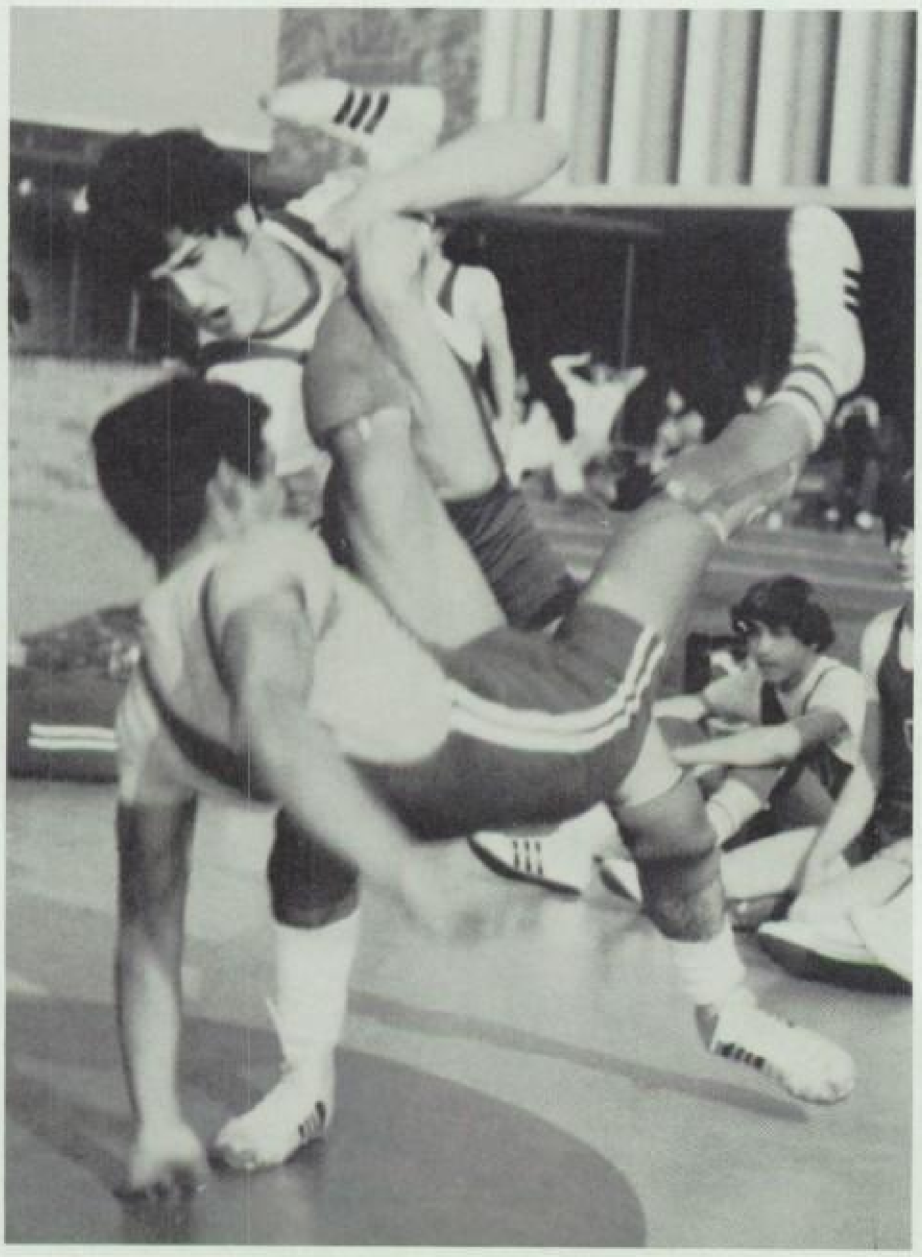
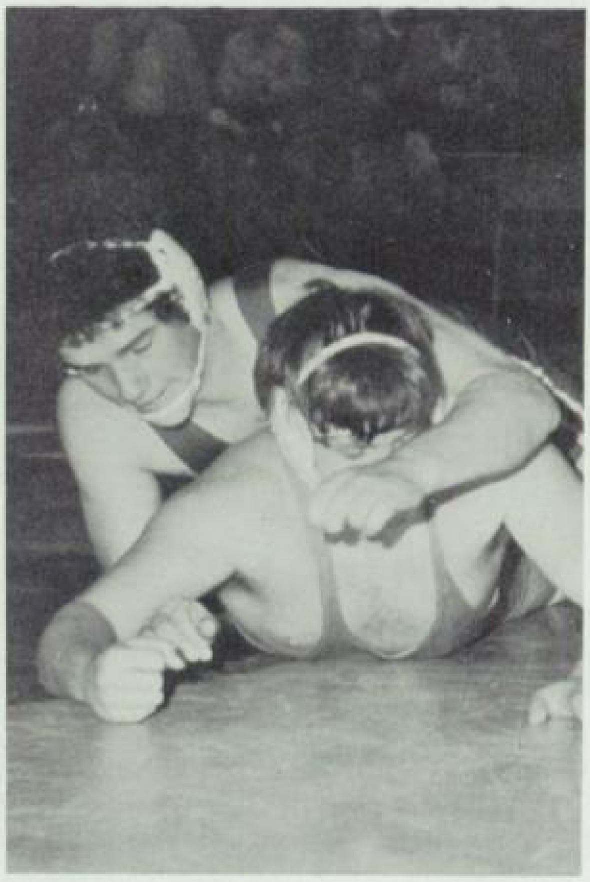
1976-77 Wrestling Team Has the Best Year Yet

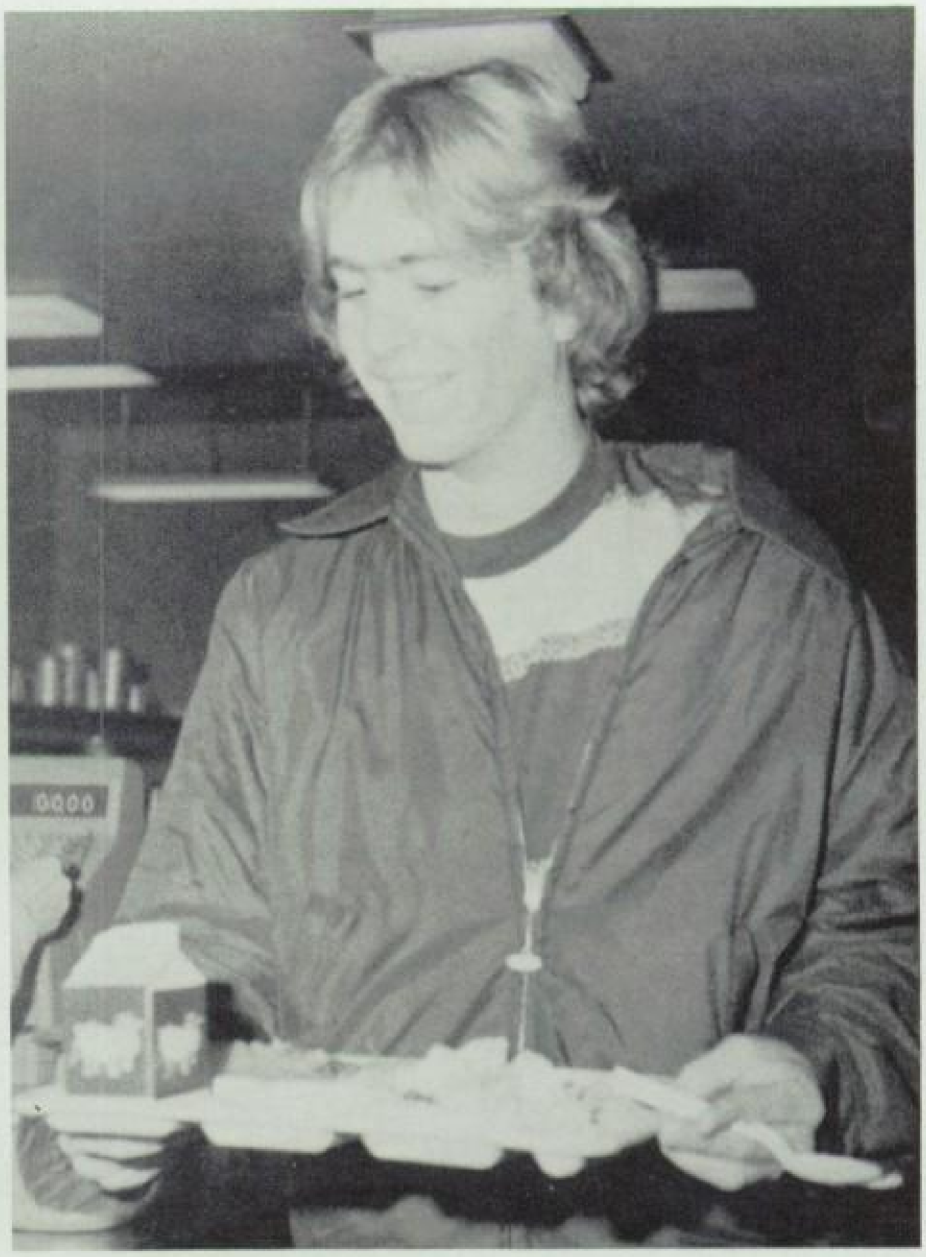


The Wrestling team was organized 3 years ago after several years without a team. The first 2 years were somewhat disappointing. Since the team lacked enough athletes to compete at matches, forfeits alone caused the team to lose a lot of their matches. This year, with the experience of some of the wrestlers from the past season, plus the appearance of a lot of new wrestlers, the team has gotten new life. Having more athletes, means fewer forfeits and that means a better chance to win. The wrestlers put a lot of time and effort into every match. It takes more than weight to meet an opponent. It takes courage and determination.



Students Fail to Appreciate Cafeteria Food

Everyday during 4th and 5th lunch, students flock by the thousands to the cafeteria for lunch. Among the carefully prepared specialties are pizza, hot rolls, chili, and hot dogs. FACING PAGE, LEFT, Josephine Hardeman and Rose Yeramian prepare pizza. Marie Williford, TOP, and Kathy Mizuno, BOTTOM, make those great cookies. Mona Mondonsa, cafeteria supervisor, BELOW, is responsible for the good lunches that are light on the pocketbook.

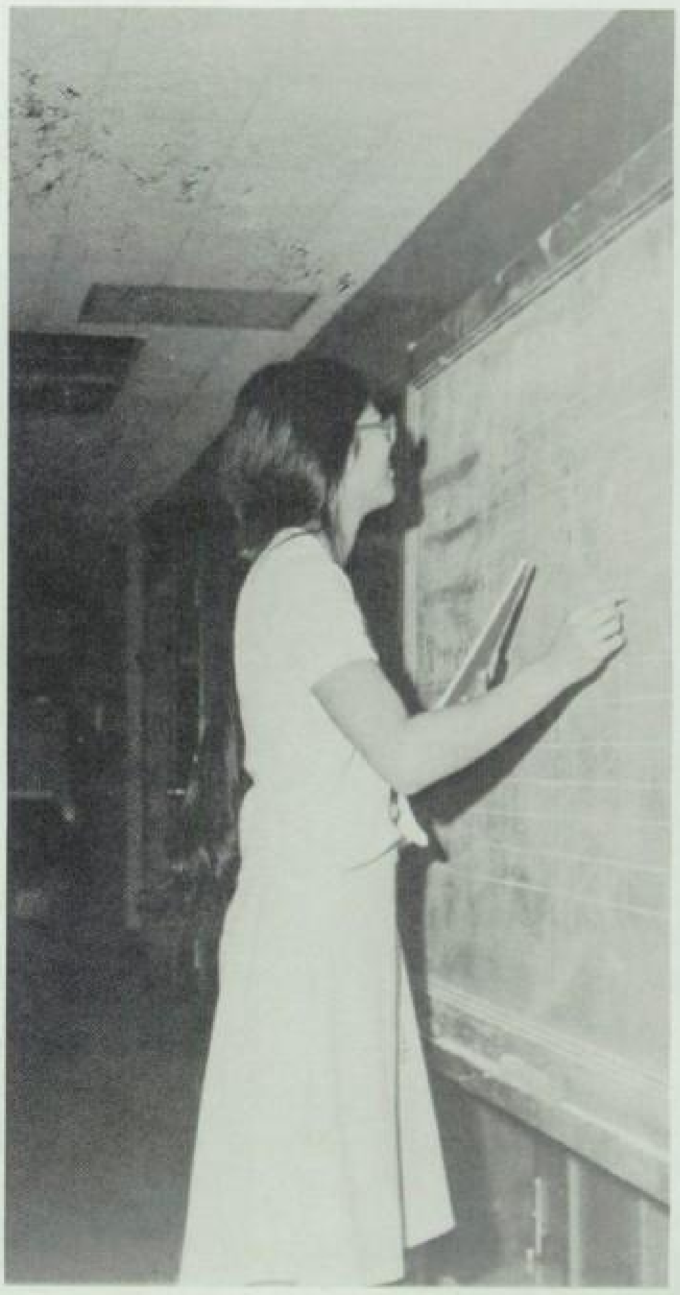


Johnson's choir was the main attraction in the Christmas Assembly. Singing "Jingle Bells Calypso", and other favorites, they gave the crowd the spirit of Christmas.

Johnson's Choirs Sing the Christmas Spirit

BOTTOM: Every year all dance classes make-up a Christmas dance to perform in the Christmas Concert. Only one is picked out of the beginning classes and the intermediate class. The winners of the intermediate class were Carol Gray, Sheri Lewis, Lori Marsh, Kathy Fong, and Rene Shimazu.

BELOW RIGHT: Michael Gray, Dean Chang, Erin Roper and Diane Chow take a crash course in trigonometry. MIDDLE: Michael Gray, Grant Takahashi, and Jeff Yasuda enjoy their own jokes.



Mathletes Demonstrate Intellectual Abilities

The Mathletes, a relatively new club to Johnson, involves students who enjoy math. A series of timed tests is given. Points for correct answers are awarded. The team with the most points wins. A Mathletes meet is not just taking tests. The teams get together to learn and compete but, there is always a large supply of refreshments and fun.

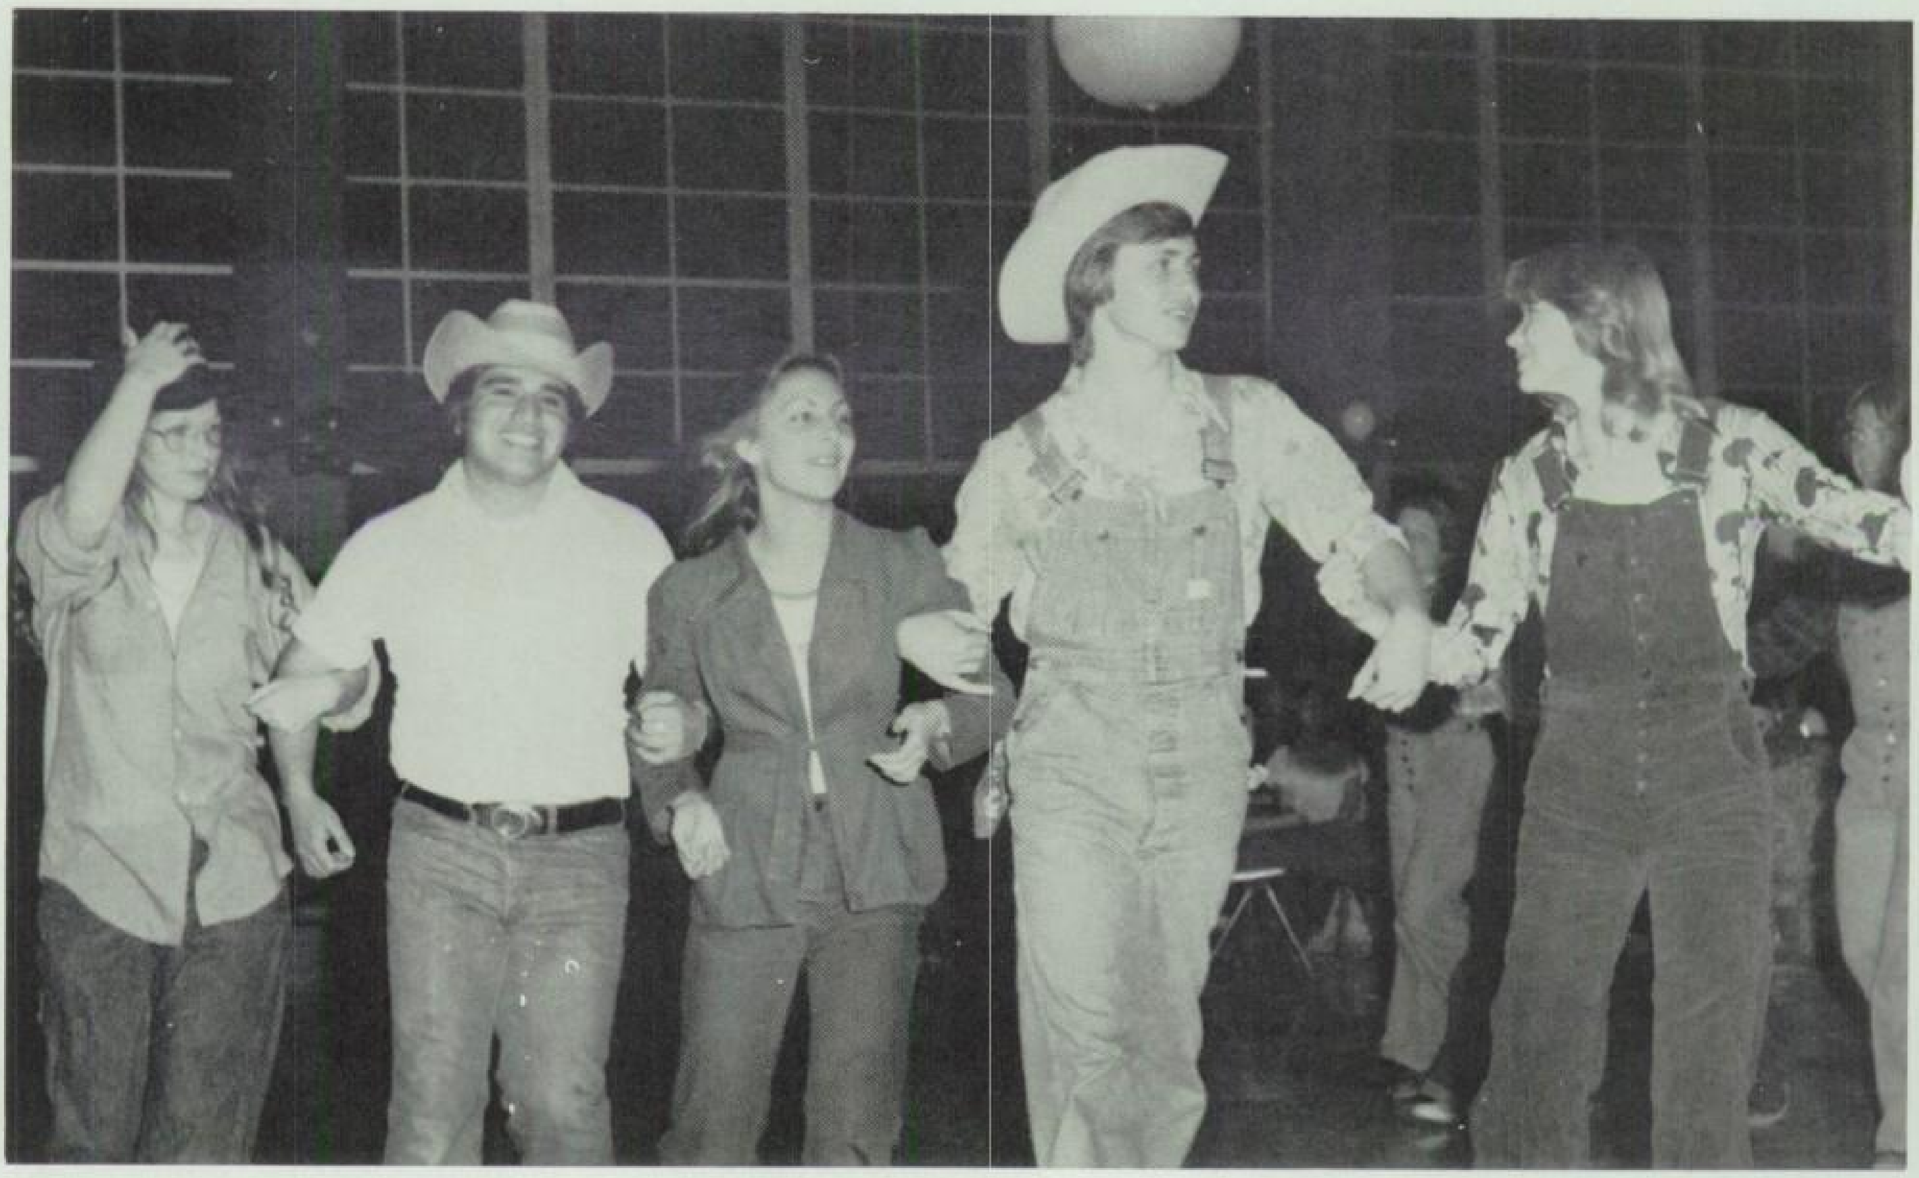
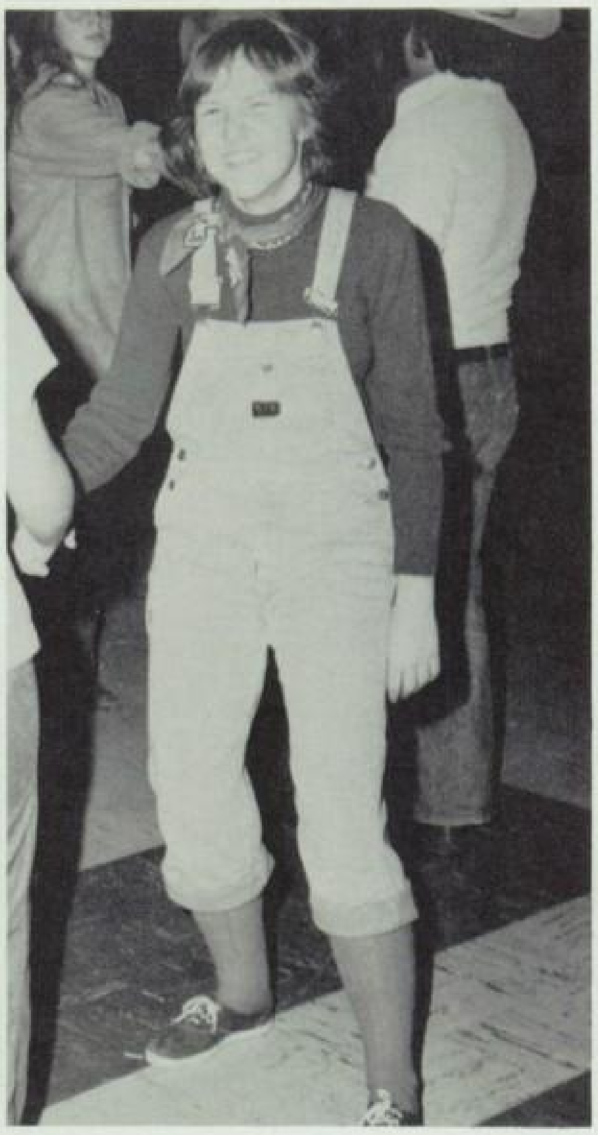
One reason why the barn dance was successful was because of Mr. McNutt, the caller for the dance. He coordinated all the dancing from pairing of the partners to skipping arm and arm.



A Barn Dance?

Yes, there was and very successful too. There were a few bystanders but most joined in on the fun. Mrs. McNutt watched as some people actually acted foolish. All in all it was a very enjoyable night.



Senior Ball Theme Is "Chasing Rainbows"

This year's Senior Ball was held on March 5 at the Arden Hills Country Club. Over 200 couples attended the ball which made it the most successful dance in the history of the school. Couples danced and listened to the sounds of the band "Force". Everyone had an enjoyable time, even the band members were into the event.
